EZ-Dock or Boat Lift De-installation Contract

THIS AGREEMENT, is made the ____ day of _____, _____ between ANCHOR MARINE ("Contractor") and _____ ("Customer")

CONTRACTOR hereby agrees to de-install the customers EZ-Dock or Boat Lift units and place those units in a location either on site or a remote location as specified by the customers. Contractor agrees to use trained technicians and standard EZ-Dock or RGC tools and removal procedures during this operation. Customer agrees to provide a date range requested for this service and contractor agrees to make every effort to complete the removal within the desired time frame based on weather conditions and availability of manpower. Contractor's normal window for this service is from Labor Day to Nov 15th each year.

The following is a general outline of costs and pricing for this service; hourly rates are portal to portal.

- 1) Hourly rate for removal requiring only two man crew, no service boat and simple close on-site storage \$100.00 per hour.
- 2) Hourly rate for removal requiring three man crew, no service boat and simple close on-site storage \$150.00 per hour.
- 3) Hourly rate for use of the service boat, \$75.00
- 4) Hourly rate for additional truck or trailer, \$50.00
- 5) One time fee for use of compressor, \$150.00

During the course of removal certain parts maybe be damaged, lost or found to be missing. Contractor will advise customer of any such parts or problem and note this on the work order.

Contractor will attempt to give the customer a "Reasonable Estimate" of the work and time involved, but invoicing will be based on the actual time the de-installation takes.
